

# CSI Fellows

## Northeast Region

### Construction Specifications Institute

Updated 7/3/09

A Fellow of the Institute retains the title of CSI Fellow even if the individual is no longer a member of CSI. The following listed CSI Members and non-members have been elevated to Fellowship in CSI. The Fellows on this list are or were members of Chapters in the area currently defined as the NE Region at the time of their elevation to Fellowship. Any Chapter planning on submitting a nomination for Fellowship may want to contact one of these Fellows for advice on the preparation of the Fellowship Nomination.
