

# BOARD REPORT

## Northeast Region Board Meeting – April 11, 2010

**DATE:** April 7, 2010

**TO:** Northeast Region Board of Directors

**FROM:** Brian H. Neely, AIA, NCARB, CDT, Boston Chapter President, Planning Committee Chair

**SUBJECT:** Report of the Planning Committee

### A. Report Summary

1. This report includes the status, progress and problems encountered implementing my CSI NER plans as Region Program Committee Chair.

### B. The Report

1. Summary of activities since last report:
  - We have met to discuss the implementation of a new training program through the Northeast Region.
  - We focused on two independent issues; member training and leadership training.
  - Met with representative from The Arch of Leadership Forum™ to discuss their program as it was recommended by a committee board member.
  - Based upon our discussion we have submitted a recommendation to the NE board to implement a trial program for both the Leadership and member training programs.
2. Status of current programs:
  - Currently the training program is on hold for NE region approval.
  - Strategic Plan is not in need of updating at this time.
3. Schedule of activities prior to next Board Meeting:
  - Pending approval of the training recommendations this committee will run a test trial for the leadership training program.
  - A letter will be sent to chapter presidents looking for nominations. A letter will be sent to the approved nominees inviting them to join the program.
  - The training program is anticipated to take place between June and December 2010. A in-progress report will be provided at the next board meeting and we hope to have a complete report and further recommendation at the following

spring board meeting as to continuation, modification, or termination of the program.

**C. Suggestions for the benefit of the Region**

1. Please refer to our Recommendation to the regional board for additional information regarding the implementation of the member training and leadership training.

**Respectfully submitted;**
