## Northeast Region Board Meeting – April 11, 2010

**DATE:** April 6, 2010  
**TO:** Northeast Region Board of Directors  
**FROM:** Roy C. Olsen  
**SUBJECT:** Report of Awards Committee.

### A. Report Summary

1. Lack of submissions in most categories is problematic. The leadership workshop for awards will focus on the availability and requirements for the various types of awards.

### B. The Report

1. Summary of activities since last report: The Awards Committee has received two nominations/entries for awards for FY10. Awards not yet reviewed until additional award entries are received.
2. Status of current programs: No programs currently are active.
3. Problem areas: Poor quantity of submissions for awards in almost all categories.
4. Success stories: Newsletter, technical and electronic publications have the most entries, even if they only number one or two per category.
5. Schedule of activities prior to next Board Meeting: Jim Grucella and I will be presenting a primer on Institute and Region Awards, and ways to make Chapter awards more valuable and exciting such as creating chapter versions of the Candy Man.
6. Changes in Chapter Membership since last report: N/A

**C. Suggestions for the benefit of the Region**

1. Continuation of the Leadership training at Region Conferences, smaller in scope so that more people can be exposed to the availability of such workshops.

**Respectfully submitted;**
